Baby Clinic
Baby Clinic is returning to our Village Hall and will be held on the 2nd and 4th Monday of each month 9.30am-11.30am. Rugby Rural Children’s Centres are working in partnership with health services to support families with children under 5 years of age in the community. Further information and advice will be available at the session which will be run by the Children’s Centre Team.

Coal Yard and Horsa Hut
The Parish council has received from RBC planning details of a planning application for the Coal yard including the horsa hut. This planning application supersedes the original one granted for about 6 properties some time ago. We should be concerned about the latest application as it is for 14 properties including one on the land of the horsa hut. The plans also show considerable work on the protected oak tree. If anyone would like to make representations regarding this application they should contact Nisal Mogul, Rugby Borough Council, Town Hall, Evreux Way, Rugby, CV21 2RR or email nisar.mogul@rugby.gov.uk by 27th March.

Brookside Surgery
If you would like to make appointments and request repeat prescriptions online then please ask reception for a form to complete and bring a form of photo ID with you (either a driving licence, bus pass or passport).

It is now possible to email NON urgent information and requests to the reception team using brooksidereception@nhs.net. To book or cancel appointment please always phone the surgery and do not email urgent messages.

One of our longest serving staff members, Mrs Jane Ewington will retire at the end of March, she was initially a receptionist but in recent years has moved to the admin team and her contribution to the running of the practice will be very much missed.

Brookeside surgery can be contacted on T: 024 7654 2525

Prologis Update
Prologis are looking into complaints about earth moving noise after Parish Councillors brought up the issue at the March Parish Council meeting.

Prologis advised that it is doing all it can to help customers recruit locally, it is introducing customers to a local team at JobCentre Plus who will be able to put in place tailored local recruitment programmes, these may include recruitment fairs on site.

As a separate positive measure, Prologis is working with Warwickshire College in an initiative that will allow local young people to gain educational benefit from the site, more on this will be in future village newsletters.

What is the Rugby App?
The Rugby App is a mobile web application. You can use the Rugby App to report common problems such as littering, dog fouling and fly-tipping to the council and you can also find out more about council services.

Go to www.rugby.gov.uk/app in your mobile browser and save a shortcut on your homescreen. For help go to www.rugby.gov.uk/apphelp.

To report fly-tipping and dog fouling offenders via the normal contact routes, contact the Environmental Protection Team on Tel: 01788 533857 or email: ept@rugby.gov.uk.

Heritage Open Days; 12th - 14th September 2014

We are delighted to announce that Provost Williams School was rated ‘good’ in all areas when we were inspected by Ofsted in February. This result is testament to all the hard work of our staff and pupils and the fantastic support from parents and carers.

We are proposing to change the time that school finishes so that all our pupils will be leaving school at 3.15pm. This change would take place from September 2014. If you have any concerns or comments to make about the change, please contact the school office Tel: 02476 302166.

Are you looking for a Nursery place for your child for September? Our fantastic Nursery has spaces available. Why not make an appointment to have a look around and see our school in action.

Our extended provision ‘The Ark’ offers affordable childcare in the afternoons. There are also free places available for two year olds whose parents are in receipt of certain benefits. Contact our school office for more details.

Jason Henderson, Head teacher.

Easter Around the World

In Germany, decorated eggs are hung on branches of bushes or trees to make them Easter egg trees.

Cyprus it is customary for people to light bonfires in schools or church yards.

Bermuda, the most notable feature of the Easter celebration is the flying of kites to symbolize Christ's ascent into heaven.

Church bells are silent as a sign of mourning for one or more days before Easter in The Netherlands, Belgium and France. This has led to an Easter tradition that says the bells fly out of their steeples to Rome and return on Easter morning bringing chocolate shaped like eggs or rabbits.

Thank you to the Ryton History Group for providing their ‘Dog in tree’ photo, of course its an odd shaped tree branch and not really a dog ... Or is it!

Email any fun photos into the editor at d.keeling1@btinternet.com

We sell sweets and chocolate!
We also sell, stamps, cards, balloons, gift vouchers and prepare party sweet bags and sweet gifts to order.

Our catering kitchen offers hot n’ cold drinks, batches for lunches, sandwiches and jacket potatoes.

We have a seating area so that you can sit down and enjoy your treat rather than take it away. We aim to offer a place where the community can come together in a warm and friendly environment.

‘We look forward to seeing you soon’

"Children will move and mingle to everything from classical to modern music. Parents will have fun socialising and exercising while learning Ballroom & Latin Dance. Best of all, you’ll be exposing your child to the world of dance and music, while building a bond that will last a lifetime!"
Mary Berry's Lemon Drizzle Cake

Ingredients; 225 g butter, softened, 225 g caster sugar, 275g self-raising flour, 2 tsp baking powder, 4 eggs, 4 tbsp milk, 2 lemons. (Crunchy topping) 175 g granulated sugar, lemon juice.

1. Cut a rectangle of non-stick baking parchment to fit the base and sides of a 30 x 23 x 4 cm roasting tin. Grease the tin and line with the paper then preheat the oven to 180C/160C fan/gas 4.
2. Measure all the ingredients for the tray bake into a large bowl and beat well for about 2 minutes, until well blended.
3. Turn the mixture into the tin, scraping the sides of the bowl with a spatula to remove all of the mixture and then level the top gently with the back of the spatula.
4. Bake in the middle of the oven for about 35-40 minutes.
5. Leave the cake to cool in the tin for a few minutes then lift it out of the tin while still in its lining paper. Remove the paper and put the tray bake onto a wire rack placed over a tray.
6. To make the crunchy topping, mix lemon juice and granulated sugar in a bowl then spoon the mixture evenly over the tray bake whilst it is still just warm. Cut into squares.
