Planning Application for 29 Homes - Warren Field
A public presentation by Orbit Homes for the planned residential development of 29 homes was followed by a public question and answer session at the village hall. After listening to Orbit Homes and local residents, whilst the Parish Council agree that more affordable homes are needed in the village, on this proposal, have decided to formally object to the application. The major concern is vehicle access, partially during construction but also long term. The Council suggests this could be addressed by using alternative access to the site via Prologis and therefore this application should be halted until the alternative access is explored. This alternative route could also provide a better and safer access to the site long term, stopping any extra traffic on Warren Close/Warren Field. To read the objection in full. Local rising Country Star Kellimarie, who lives in Ryton on Dunsmore, stormed into the Country Album Charts at Number 6 on the 14th April with her Debut EP ‘Under The Same Stars’. The top ten chart placement is an amazing result for a 14-year-old artist with her first ever release of her own songs which were written when she was just 12 years old. Kellimarie, who has also recently been starring on CBBC’s show ‘Got What It Takes’, gained excellent feedback after her EP launch party at Rialto Reborn in Coventry last month where she performed with a full band and is sure to be celebrating again with this recent success.

Leading UK Artist Development Company ‘Big Help Music’ who produced the EP and have been working with Kellimarie since she was 12, had this to say: ‘We are immensely proud of what Kellimarie has managed to achieve at such a young age. Don't be fooled by her age though. It's just a number. Kellimarie is a brilliant songwriting talent and her EP is full of genuinely good songs that will take up residence in your head. Don't say you haven't been warned! This is a great record!’

People of Ryton on Dunsmore will get a chance to watch Kellimarie perform live at her upcoming appearances this summer at Rugby Bike Fest (May 21st), Folk On The Water (17th June) and Godiva Festival Main stage (July 9th). You can also keep up to date with Kellimarie's upcoming performances and releases on her Facebook page @kellimariemusic.

Kellimarie’s EP ‘Under The Same Stars’ is now available for download from Itunes and other online platforms: https://itunes.apple.com/gb/album/under-the-same-stars-ep/id1209848965?app=itunes You can also listen to it free on Spotify!

A couple of notices about St Leonard’s Churchyard

Firstly, the churchyard tidy up team is desperate for willing hands to help maintain the beautiful space that surrounds your beautiful church. They meet on the first and third Saturday mornings of each month. If you can spare an hour or two then please be in touch with the Rector or just turn up and introduce yourself to the other volunteers. They break around 11 am and go into the church centre for a hot drink and snacks.

The other thing that needs to be said is that there are a growing number of graves with extra (unauthorized) items or ornaments and so we have been looking in detail at the Churchyard Regulations of Coventry Diocese, which the Parochial Church Council (PCC) is legally obliged to follow.

There are more details on the church notice boards, but the nub of the matter is that many of the stone, concrete, metal, plaster and plastic vases and flower holders, as well as model people, animals or toys, windmills or jangling trinkets designed to make a noise when the wind blows are not allowed by the regulations. In addition artificial flowers are not allowed except for Remembrance Day poppies and traditional Christmas wreaths and these should be removed after two of months.

The church is encouraged by the Diocesan authorities to look after the churchyard and to remove unsightly flowers from any grave, as well as other objects and items that fall outside what can be allowed. We hope that you will co-operate with us in trying to keep our churchyard a tidy and peaceful place and if you seek guidance regarding the graves you tend, please speak to the Rector, or Churchwardens.
